

Your delinquent accounts also need a quick recovery.

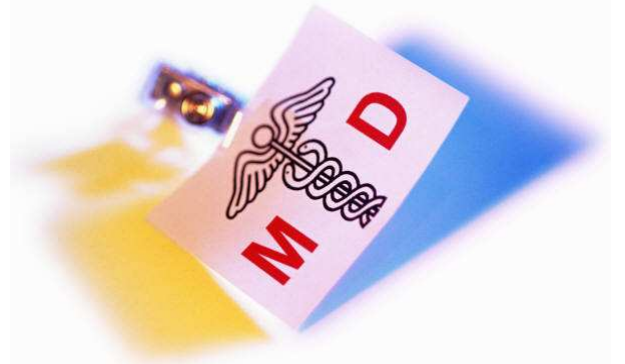

*We'll collect your lost A/R accounts
without "trying your patients".*

For items which need immediate professional recovery action, we utilize our skilled collectors, skiptracers, credit experts, and national staff of attorneys and para-legals -- **at the lowest contingency rates you'll find.**

And we'll advise you about how to set up new accounts and amending former patient accounts so you avoid paying *future* recovery fees if those customers' accounts ever become delinquent. **That's a ZERO PERCENT contingency rate!!**

10 very good reasons to choose us:

- 1. All collection rates totally contingent upon our successful performance.*
- 2. ZERO PERCENT programs available. We show you how and provide all the information.*
- 3. No claim or subscription fees. No upfront costs.*
- 4. Immediate transmittal reporting & monthly status reporting, coupled with extraordinary customer service.*
- 5. Personal contact on each claim, not a one-shot letter-writing program which depends on good addresses.*
- 6. Associated with national network of attorneys and paralegals if litigation becomes necessary.*
- 7. Receivable management programs to improve your cash flows and identify problems earlier.*
- 8. National systems to locate debtors & impact credit.*
- 9. Experienced, professional, dependable, and well-trained staff.*
- 10. Free New Patient Information form design to guide you to a zero percent contingency rate.*

*Recover lost profits from your delinquent
accounts faster and at less cost to you!*
